

Facilities Portfolio

2009 / 2010

Serving the Biotech and Life Sciences Sector

Location

The Nowgen Centre is in a prime location at the heart of Manchester's biotech cluster.

The Nowgen Centre stands at the interface between the University of Manchester and Central Manchester Hospitals. Our close proximity to the Wellcome Trust Clinical Research Facility, the Manchester Incubator Building, UK Biobank, and Manchester Science Park makes us an ideal host for academic, clinical and business conferences, meetings and events in the North West.

The venue is easily accessible from Manchester City Centre, with shuttle buses running at 10 minute intervals from Piccadilly Station. There is a 15 minute rail shuttle to Manchester International Airport eight miles away.

Facilities

The Nowgen Centre caters for conferences, meetings, training courses, exhibitions and all types of event with facilities we can tailor to your individual requirements. We also offer business support services including high speed internet access, video-conferencing and tele-conferencing using state-of-the-art equipment.

Facilities include:

- **Fully equipped seminar room for up to 70 delegates**
- **Function room and servery for up to 100 delegates**
- **Teaching & demonstration laboratory**
- **Boardroom for up to 20 delegates**
- **Smaller meeting room up to 15 delegates**
- **Exhibition area / informal meeting room**
- **Video-conferencing**
- **Tele-conferencing**

We also offer an extensive range of catering options and bespoke menus to cover your individual needs, including provision for special dietary requirements.

The Nowgen Centre has an experienced events team who will be happy to work with you to ensure your event is a great success.

Facilities Specifications

Teaching & Demonstration Laboratory

The ground floor laboratory is fully air conditioned and is fitted with an AV kit comprising a ceiling mounted data projector and screen.

The Laboratory is fitted out for teaching & demonstration purposes.

Lab Room Capacity

Hire of the laboratory is subject to a risk assessment and will be supervised by the Nowgen Laboratory Manager.

The Nowgen Lab Manager, Dr Mark Leech, can be contacted via email – mark.leech@cmmc.nhs.uk

Video-conferencing

Nowgen has a state-of-the-art video-conferencing facility available for hire.

You can now hold updates and collaborative meetings with colleagues from across the world whilst you stay at the heart of the North West biotech hub.

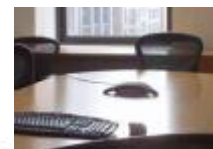

Nowgen offers you a mobile system with high quality imaging and a capacity of up to 1GB, including live camera tracking and stereo sound quality.

The system can use both IP and ISDN for video-conference calls.

Tele-conferencing

Nowgen has tele-conferencing equipment available for hire, enabling you to speak with several different parties simultaneously via a conference call.
